The American Company's tend inct the "Silingers" of The Times-Dispatch on the ground of the former in Fairmount yesterday, and en account of the overwhelming defeat of the latter in their engagement of the previous Saturday, it was generally considered a pretty soft thing for the "Cans." As events shaped themselves, however, they had to work for their victory, and but for an overthrow in the third, which let in three runs, there was little to choose between them. The Snowballs Win.

The Snowballs Win.

As was expected, the meeting of the Snowballs and Locos at Fulton yesterday produced a hot game. There was a big crowd—in fact, all Fulton and a good part of Church Hill was on the ground. Locos won the toss and elected to take the field. The features of the game were the base-running and coaching of Darby, Algust, of the Locos, showing up very strong with the stick. It was a nip and tuck, ding-dong game from start to finish, the Snowballs getting first blood in the second, adding a second run in the third and still another in the fourth, but the last half of the fourth saw the Locos wake up, when August, with two men on base, knocked a two-bagger, and Wisgins, with a single, brought in another run. At the ending of the fourth the score was three all. In the fifth the Locos brought in two, but were deprived of their lead in the sixth, from which point the Snowballs held the lead and won a capital game by 12 to 10.

There was some trouble and inconvenience caused by the spectators encoching on the ground. This will doubtless be overcome when people the roughly understand that the efforts of the league are towards a clean game of amateur ball, at which all spectators are welcome.

The Hill City Has the Fever As

Never Before, (Special to The Times-Dispatch.) LYNCHBURG, VA., May 12.—Lynchourg is base-ball crazy, the disease being of the old Virginia League, when Dan McGann, Al. Orth and Pickering were members of the local team. It is estimated that no less than \$5,000, and it may have been more, changed hands on the result of the game on Saturday with Norfolk. The betting was at odds on either club, most of the money, however, being on the local team.

That Lynchburg has a strong aggregation there is no doubt, and the impression that prevalls here is that the team that beats the locals out in the race for the pennant will stand first.

Glendales Defeat Sluggers.

In yesterday's game at Godsey's diamond the little Glendales defeated the little Pino Street Sluggers by a score of 24 to 8. The feature of the game was the batting of Jenks, G. Clarence Hall, the Deep Run Whip,

performance all through the afternoon.

Mr. Taylor rode like a veteran.

The Deep Run Steeplechase, the fourth event, called out but four candidates, "Thunder," one of Mr. Beattle's entries, having been scratched.

"Indian Joe," the club entry, ridden by Hall, was the favorite, but "Duster," owner by Mr. James T. Patterson and ridden by Mr. Gathright, had also a good following. The distance was at two and a half miles, and the race was open only to Deep Run horses.

The field was sent away in good order and simply raced over the jumps, leaving "Zilla," ridden by Mr. E. D. Harris, a bit in the rear. In negotiating the jump in front of the club enclosure. "Duster," "Indian Joe" and "Deep Run," ridden by Mr. Blanchard Forbes, flew the brush almost together. "Zilia," fell behind, and at the open ditch and fence boyond, shut up and refused to go near it. After a futile effort, Mr. Harris withdrew from the tace and took the mare to the stable.

"Gloria" took fourth place. The time, 150 flat, was excellent,

easily out another second.

Mr. Dayld Dunlop's fancy, was well thought of. "Starter" Carter sent the four well away on the second trial with "Pete Dalley" in the lead. It was a horse race from start to knish, for "Joe Martin" went out to the front, lapped by "Tarpon" and raced together all down the back stretch, around the turn and down the stretch as though they had been harnessed double.

"Tarpon" won out by a head in 147-1-5, with "Joe Martin," an ancient hero, second, and "Peta Dalley," third.

It looked as though Mr. Taylor could have done better, but, with a dash of "Side," he cut the finish as close as possible.

The sixth event was the race of the afternoon, a steeple chase, open to all horses, at 2-1-2 miles over the Deep Run courso.

Last Event on Card.

The record for the steeplechase course is 1:481-5, made by "Trillion" several

years ago.
The last event on the card was at six furlongs with first entries.

The Reception.

'The members and guests of the Deep Run Club then attended a very charming reception on the lawn of the club-house, where a handsome luncheon was served at small tables. A band played during the reception, at which there were present about 400 peoples.

Among them were Mr. and Mrs. George Cole Scott, Miss Dunn, Miss Scott, Miss Hamilton, Mr. and Mrs. Joseph E. Willard, Mr. and Mrs. Henry Stuart, George W. "Lucy Douglas," ridden by Hall, made all the running for two miles, closely followed by "Harry Patton," with "Croxton," held back by Mr. Taylor, On the second time round Adamson, on "Harry Patton," had a close call at the jump with a ditch on the landing side. The chaser stuck his feet in the ditch and nearly stood on his head, but Adamson very cleverly kept his seat and set his horse going again quickly.

At the two-mile post, Mr. Taylor went after the leaders and raced away from his field, "Lacy Douglas" dying away, "Croxton" won handily in 5:01 1-5, with "Harry Patton" second and "Lucy Douglas" third.

LONDON, May 12.—The proposed tenens tournament between American and British experts has been abandoned. The first game was arranged for today, but Eustace Miles telegraphed that business prevented his playing, and the proposal to substitute Major Cooper-Key for him was not approved by the Americans, who refused to proceed with the matches unless the British champlors participated.

As many speciators had gathered at the Queen's Club, an exhibition four-some was arranged, which resulted in Jay Gould, of Lakewood, N. J., and Joshua Crane, Jr., of Boston, Mass., defeating Major Cooper-Key and V. Pennel by 3-0. The sets were 6-1, 6-4, 7-5.
